

SPORTS TURF INFILL SOLUTIONS

NATURAL PERFORMANCE. SAFER FIELDS.
BETTER FOR THE ENVIRONMENT.

Aragonite provides stable footing and drainage without compromising athlete safety—while supporting sustainable field systems.

KEY BENEFITS

- ✓ Stable and consistent playing surface
- ✓ Natural mineral—no rubber, no plastic, no PFAS
- ✓ Improved drainage and less compaction
- ✓ Lower field temperatures vs. rubber infill*
- ✓ Low dust and low maintenance
- ✓ Odor free
- ✓ Environmentally responsible

HOW ARAGONITE WORKS

Enhances drainage and water flow

Provides stable footing and support

Made from natural aragonite mineral

WHY ARAGONITE?

100% Natural Mineral
Non-toxic and safe

Improved Drainage
Helps fields dry faster and stay playable

Stable & Consistent
playing surface

Lower Surface
Temperatures
vs. rubber infill*

Low Dust & Low
Maintenance

Environmentally
Responsible

*Lower surface temperatures compared to traditional rubber infill.

IDEAL APPLICATIONS

Athletic Fields

Schools &
Universities

Parks &
Recreation

Golf Practice
Facilities

Pet & Dog
Parks

Multi-Purpose
Fields

NATURAL & SAFE
Non-toxic & PFAS Free

SUSTAINABLE CHOICE
Better for athletes
and the environment

COOLER SURFACES
Lower heat retention
for safer play

DURABLE PERFORMANCE
Built for long-lasting
field performance
